

SEVILLA 2019 TOUR

The Fun

The Melia Hotel & Resort

Clearly one of the premier hotels in the area, that totally catered for everything AGS could have wanted. Rooms, bar, breakfast and wonderful swimming pool and meeting area.... in the heart of town

The Friendly

Feria de Abril-Sevilla 2019

We were blessed to have our tour at the same time as the holy based Seville Fair which had its final day on our final evening. A wonderful splendid and cultural event, which many AGS members embraced

The Fierce

Win Win Win for JGG

We had a new Tour champion this year. From the inside track to battle all comers. Junior George Grant is our 2019 Tour Champion, alongside winning bookie & bare - chested Spurs finalist. Well done Champ!

TOP SEVILLA GOLF CLUBS

Club Zaudin and Real Club de Golf De Seville were magnificent. Both well laid out and a great test of golf. The latter, Real Club, was unanimously viewed as being one of the very best overall set ups, course & hospitality in AGS history.

Score a good score there, and you were in the running. Not for the feint hearted!

A City of culture, delights, views, ambiance and so many things to do and see. They like hosting that's for sure. From arranging for Champions league football to be watched whilst dining with copious amounts of jack, gin, rioja and beers - all with great vibes from locals and international visitors. The horse drawn carriages of the high society, the knowledgeable tourists, the hundreds and thousands and music playing, alcohol pouring tents, the lovely senioritas and dapper seniors - the AGS ones of which were the most elegant.

A venue chosen by our excellent Captain Phattus was well received, our restaurants wholly accommodating, the golf courses of the highest order and truly the hotel and hospitality throughout knew no ends. I suspect some rogue tours will be drawn to Sevilla's charms... Brilliant!!

AGS SEVILLA TOUR

New shirts and matching shorts... the colours stood out on the pristine Real Club de Sevilla golf course. Good colour chosen by our absent VeeCee, but well received by all members. Full team photo (with the Silent AGS) to follow.

Wear your shirts with pride!!

OFFICIAL SPOODN HAND OVER

CAPTAIN PHATTUS PHONES THE BOOKIES

It was a clean sweep for JJG - he was supreme with his team Spurs finalists on Day one. He was at risk when he was the nominated "Bookie", and no one chose him as an option - little did they know that his excellence and consistency for 3 rounds would get pride of place and FIRST PLACE as the..... [2019 Tour Champion](#)

First place loser went to the equally consistent 2Crax and 2019 Spoodn... the Handicap Secretary took note throughout 😊

AGS massive partied hard, by any means necessary - both at the local club, and at the festival... and some took even took some extra lengths to not get cut anymore, but drinking much too much..... as we had "2 shot gate", "how much are prawns gate", "where's my gin gate" and the key one.... "where's my golf game" gate. It should not be overlooked that a very special mention goes out to Showman and Lippy - their Uber car home was hit at 3 am and they ended up in local hospital (ably supported by LB Calves and 2Crax)... both were fortunate, and it didn't dampen the AGS spirit - by the Grace of God. Well done Lippy and Showmar - for such resilience and not being down on themselves.

Well done to all in AGS that managed the 2019 AGS Tour to Sevilla. Memories, photos and laughter aplenty. Many key members were missed, and we hope to see them next year.
